4. Member of the Higher Committee for Information Technology and Electronic Transactions,
5. Member of the Committee on Distance Education, Community Service and Continuing Education Committee, Taibah University.
6. Member of the Development Committee of the Taibah University.
7. Member of the Advisory Committee of the College of Computer Science and Engineering, Taibah University.
8. Member of the Higher Committee for Admission and Registration, Taibah University.
9. Member of the Information Technology Center Committee, Taibah University.
10. Member of the Committee of the College of Finance and Administration, Taibah University.
11. Member of the Committee of the College of Computer Science and Engineering, Taibah University.
12. Member of the Advisory Committee of the Holy Quran and Information Technology Symposium, King Fahad Complex for the Holy Quran.
13. Member of the University Board, Taibah University.
14. Member of the Committee of Deans of Computer, Engineering and Architecture Colleges in the Gulf Universities.
15. Member of the Committee of Deans of Computer and Information Colleges in Saudi Universities.
16. Member of the Executive Committee for Computer in the Municipality of Almadinah Almonawarah Region.
17. Member of the Computer Board of the Municipality of Almadinah Almonawarah. (Part-time consultant)
18. Member of the Advisory Committee of the former President of the University (Prof. Mansour Nozhah).
19. Member of the Advisory Board of the Center for Glorifying the Holy Quran, Almadinah Almonawarah, Saudi Arabia, 1436/2015 approx.
20. Member of the Scientific Board in the Center of Glorifying the Holy Quran, Almadinah Almonawarah, Saudi Arabia, 1436/2015 approx.
21. Member of the Supreme Supervisory Committee for "Taibah University International Conference on Computing and Information Technology", 19-21 / 2/1433 (12-14 / 3/2012), under the patronage of the Custodian of the Two Holy Mosques King Abdullah bin Abdulaziz.

22. Member of the Supreme Supervisory Committee for "Taibah University International Conference on the Use of Information Technology to serve the Holy Quran and its Sciences", 22-25 / 2 / 1435H (19-22 / 12 / 2013G) under the patronage of the Custodian of the Two Holy Mosques King Abdullah bin Abdulaziz.
23. Member of the Department Board 1437/1438 (2016/2017).
24. Member of the International and Local Cooperation Committee, Computer Engineering Department, College of Computer Science and Engineering, Taibah University, 1437/1438 (2016/2017).
25. Member of the Quality Committee, Department of Computer Engineering, College of Computer Science and Engineering, Taibah University for the academic year 1437/1438 (2016/2017).
26. Member of the Students' Practical Training Committee, Department of Computer Engineering, College of Computer Science and Engineering, Taibah University for the academic year 1437/1438 (2016/2017).
27. Member of the Department Board 1438/1439 (2017/2018).
28. Member of the Quality Committee, Computer Engineering Department, College of Computer Science and Engineering, Taibah University, 1438/1439 (2017/2018).
29. Member of the International and Local Cooperation Committee, Computer Engineering Department, College of Computer Science and Engineering, Taibah University, 1438/1439 (2017/2018).
30. Member of Students' Practical Training Committee, Department of Computer Engineering, College of Computer Science and Engineering, Taibah University for the academic year 1438/1439 (2017/2018).
31. Member of the Department Board 1439/1440 (2018/2019).
32. Member of the Quality Committee, Computer Engineering Department, College of Computer Science and Engineering, Taibah University, 1439/1440 (2018/2019).
33. Member of the International and Local Cooperation Committee, Computer Engineering Department, College of Computer Science and Engineering, Taibah University, 1439/1440 (2018/2019).
34. Member of Students' Practical Training Committee, Department of Computer Engineering, College of Computer Science and Engineering, Taibah University for the academic year 1439/1440(2018/2019).
35. Member of ABET PSSR Report of COE Department, 1439/1440 (2018/2019).
36. Member of the Department Board 1440/1441 (2019/2020).
37. Member of the Quality Committee, Computer Engineering Department, College of Computer Science and Engineering, Taibah University, 1440/1441 (2019/2020).
38. Member of the Committee of Library Affairs and Training, Computer Engineering Department, College of Computer Science and Engineering, Taibah University, 1440/1441 (2019/2020).
39. Member of ABET SSR Report Writing Committee, Department, College of Computer Science and Engineering, Taibah University, 1440/1441 (2019/2020).
40. Member of ABET Sub-Committee, Department, College of Computer Science and Engineering, Taibah University, 1440/1441 (2019/2020).

Membership of Professional Societies and organizations

1. Member of IEEE, 92122262.
2. Member of Saudi Council of Engineers (SCE),#339970, Consultant Level, SA.
3. Member of Gulf Experts Est., #5450, SA.
4. Certified Trainer from Technical and Vocational Training Corporation (TVTC), #1016296244, SA.
5. Certified Trainer from Canada Global Consulting and Training Centre Ltd. (CGC®), #PCT-19201, Canada.

Attended and Live-Online Training courses

1. Windows 3.1, Training Department at the National Information Center, two weeks, 11-22 / 6/1416, excellent
2. Maintenance of digital devices, Institute of Electronic Industries (Gulf) / Riyadh, 6 weeks, 21/101/12/1414, excellent
3. C ++ programming, Bradford College / UK
4. English language (academic), University of Leeds / UK, 3 months, 10-12 / 1997,
5. English Language, Bradford College / UK, 6 months, 1-6 / 1998,
6. Presentation Skills, University of Bradford, UK, 2 days, ~2001
7. Interpersonal Skills and communication skills with others,, University of Bradford/UK, ~2001.
8. Report Writing, University of Bradford/UK, ~2001.
9. Academic writing, University of Bradford/UK, ~2001.
10. MATLAB Applications, Bradford University / UK, ~2001,
11. Numerical Analysis of Engineers, Bradford University / UK, , ~2001.
12. Practical Introductions in Time Management and Project Management, Bradford University / UK, ~2002,
13. Statistics for Engineers, University of Bradford/UK, ~2002.
14. Creative Thinking, University of Bradford/UK, ~2002.
15. Writing a PhD thesis, University of Bradford/UK, ~2002.
16. Surviving the VIVA (PhD exam), University of Bradford/UK, ~2002.
17. MS Solution Frame Work (MFS), NIC/Riyadh.
18. Cisco Networks: ICND, Sanarji, Riyadh, 10 days, 9-20 / 7/1424,
19. Cisco Networks: BSCI, Snarji, Riyadh, 10 days, 1-12 / 8/1424,
20. Cisco Networks: BCMSN, Snarji, Riyadh, 10 days, 15-26 / 8/1424,
21. Cisco Networks: BCRRAN, Sanarji, Riyadh, 10 days, 7-18 / 9/1424,
22. Cisco Networks: CIT, Sanarji, Riyadh, 10 days, 12-23 / 10/1424,
23. Skills of dealing with employees, Institute of Public Management, Riyadh, 14-16 / 3/1426,
24. Administrative Coordination, Institute of Management, Riyadh, two days, 30 / 4-1 / 5/1426,
25. Introduction to Geographic Information Systems (GIS), King Fahad University of Petroleum, Dhahran, 2-6 / 2/1426,
26. Microsoft 2273 M & M Win Server 2003, New Horizons, Riyadh, 14-21 / 5/2005,
27. Introduction to Project Management, National Information Center, Riyadh,
28. Management of Information Technology Projects, King Saud University, Riyadh, 6/1/1427,
29. Fast Reading and Mind Map, Dar Al-Rouaa Center for Training, Riyadh, 3 days,
30. E-Learning, Taibah University, Almadinah Almonawarah, 3 days, 9-11 / 1/1428,
31. Strategic Management of Information Technology, Saudi Computer Society, Riyadh, 6 days, 20-28 / 3/1428,
32. Development of leadership skills of faculty members in financial aspects, Deanship of University Development, Taibah University, Almadinah Almonawarah, 3 days, 1-3 / 3/1429,
33. Skills of Design and Implementation of Qualitative Research (Descriptive), Deanship of University Development, Taibah University, Almadinah Almonawarah, two days, 19-20 / 6/1429,
34. Blended e-Learning, Deanship of University Development, Taibah University, on, 24/5 / 1430H,
35. Statistical Program SPSS, Deanship of University Development, Taibah University, Almadinah Almonawarah, 1429,
36. Biomedical Computer Informatics through NSilico Program, College of Computing, Taibah University, 7/7/1436 (26/4/2015),
37. Strategic Innovation, IMD International Institute and Good Development, Almadinah Almonawarah, 3 days, 8-10 / 11/2016 AD,
38. "Electronic archiving", Deanship of University Development, Taibah University, Almadinah Almonawarah, on, 16/6/1438,

39. Intellectual Property Rights, Deanship of University Development, Taibah University, Almadinah Almonawarah, on 4/7/1438 AH,
40. "The Techniques of the Interview and the Case Study - The Developed Model (Academic Guidance)", Deanship of University Development, Taibah University, Almadinah Almonawarah, 13/7/1438 AH,
41. "Building Information Culture for the Individual and the Community", Deanship of University Development, Taibah University, Almadinah Almonawarah, on 29/7/1438 AH,
42. Training Course for Trainers (TOT), Almadinah Almonawarah, Saudi Arabia, 6 days, 26/12/1438 -2 / 1 / 1439H (17-22 / 9/2017 AD), accredited by Canada Global Consulting and Training Centre, accredited by the Technical and Vocational Training Corporation, accredited by the Gulf Board for Human Development, Pioneers 4 Change Training Center.
43. "Effective Teaching Strategies in University Education", Deanship of University Development, Taibah University, Almadinah Almonawarah, 24/6/1439 AH.
44. "Modern Administration and Administrative Excellence", 28-29 / 1 / 1440H (8-9 / 10/2018, Institute Without Borders, Almadinah Almonawarah, accredited by the General Organization for Technical and Vocational Training.
45. "MS Teams System and MS Planner System", 18/6/1441 (12/2/2020), Taibah University, SA.
46. "How to Use Blackboard Learning Management System", 20/7/1441 (15/3/2020), Taibah University, SA.
47. "Managing Job Stress and Resolving Disputes in the Work Environments", 14/8/1441 (7/4/2020), Waqf Al-Wahyain in cooperation and partnership with the General Administration of the Prophet's Mosque Academy at the General Presidency Agency for the Prophet's Mosque Affairs, Al Madinah, SA.
48. Steps for Manufacturing Medical Devices: Ventilators as an Example, (Webinar), Saudi Scientific Society for Biomedical Engineering (SSSBE), by Dr Nazeeh Alothmani, 11/9/1441 (4/5/2020), SA.
49. "Information Security Basics", Remote Course, Institute of Public Administration - Ethra Program, 10/16/1441 AH (8/6/2020 AD), Saudi Arabia.
50. "Information Crimes", Remote Course, Institute of Public Administration - Ethra Program, 14/11/1441 AH (5/7/2020 AD), Saudi Arabia.
51. "Performance Management and Strategic Planning for the 21st Century", a live remote lecture, Prof Mark Marian Michalski, organized by the GPMA, 12/21/1441 AH (11/8/2020).
52. "Strategic Planning and Performance Management in Charitable Work Organizations: The Experience of Al-Mawddah Association for Family Development", a. Walid Abdel Qader Al-Ramli, a live lecture from a distance, organized by the Global Academy for Performance Management GPMA, 17/1/1441 AH (5/9/2020), Saudi Arabia.
53. "The Graduation Project between Idea and Wealth," Dr. Mahmoud Al-Harbi, Department of Information Systems, 7/11, 1442 AH (23/2/2021 AD).
54. "Introducing the requirements for ABET accreditation", Dr. Muhammad Al-Saedi, Dr. Muhammad Al-Asali, a number of remote lectures, Department of Computer Engineering, Term 1 and 2 1441/1442 AH (2020/2021 AD).
55. "Global Training Exchange Opportunities", Training Unit at Taibah University, 10 p., 7/18/1442 AH (2/3/2021 CE).
56. "Commenting on the statement of the Council of Senior Scholars on the necessity of Gathering, rejecting division and disagreement, and warning against the terrorist "Moslim-Brotherhood" and others," a remote symposium at Taibah University, 11:30 am, 7/18/1442 AH (2/3/2021 AD).).
57. "Research groups in the College of Computer Science and Engineering", remote workshop, 8:30 pm, 7/18/1442 AH (2/3/2021AD).
58. "Staying Creative", Dr. Saeed Al-Amoudi, a remote training evening, organized by the Arabic Language Department at the Islamic University, 7/20, 1442 AH (4/3/2021 AD).
59. "The Future of Employment in the Communications and Information Technology Sector" in the Kingdom, Eng. Faris Saleh Al-Saqabi (Assistant Secretary of the Ministry of

- Communications for Future Skills and Digital Knowledge), a remote discussion panel, as part of the activities of the "Forum of Modern Trends in Building Academic Programs in University Education" Organizing Imam Abdul Rahman bin Faisal University, 17-18 Shaban 1442 AH (30-31 March 2021 AD): <https://apdforum.iau.edu.sa/>
60. "Quranic and Interdisciplinary Studies: Ideas and Suggestions", Dr. Abdul Rahman Al-Shehri, remote lecture, Organization of the Unified Arab Horse, King Abdulaziz Public Library, 9/1/1442 AH (13/4/2021 AD): <https://www.youtube.com/watch?v=TR9enqEuTGU>
61. "Cisco Security Solutions- NGFW and AMP" (Next Generation Firewall, Advanced Malware Protection (AMP)), Mohammad Sobeh, Online (recorded), 28/10/1442 (9/6/2021).
62. "Measuring the Impact in Non-Profit Sector Organizations: Mawaddah as a Model", Dr. Muhammad bin Ali Al Radhi, Online, Organized by the International Academy of Performance Management, 19/6/1443 AH (22/1/2022).

Self-based training through the Internet and other means

1. Computer networks	20. How to choose the university specialization, A. Yasser Al-Hazimi
2. Cisco CCNA Networks	21. How to choose the university specialization, Dr. Tarek Al-Suwaidan
3. Cisco Packet Tracer for Networks	22. How to choose the university specialization, D. Tarek Habib
4. Blockchain	23. How to choose university specialization, D. Yasser Bakkar
5. Oracle database management	24. How to choose university specialization: creative circles. Rashad Fagiha
6. Databases	25. Fundamentals of Scientific Research
7. Some programs for design smart phone applications	26. Blockchain
8. Methods of statistical analysis: Test T, Anova Test, ...	27. Fundamentals of management
9. Statistical analysis on questionnaires using Google Forms	28. Electronic and Electrical Circuits Drawing using EasyEDA Software
10. Statistical Program SPSS	29. Design and Printing PCB using EasyEDA Software
11. English	30. Black Board LMS
12. Strategic Planning	31. Arduino Microcontroller and its applications
13. Introduction to Strategic Planning Elements, Dr.. M. Said Asiri	32. Internet of Things (IOT)
14. Art and science of strategic planning, Nido Qubin Nido Qabin	33. Artificial Intelligence (AI)
15. Setting goals and strategic thinking, Dr. Ibrahim Al-Fiki	34. 5G networks
16. Strategic planning, Mohamed Jafairi	
17. Balanced Scorecard. Abdul Rahman Sheikh	
18. Preparation of a strategic plan that can measured and applied, Abdul Rahman Sheikh	
19. Time management	

Delivered Training Courses or Lectures

1. "General Introduction to Computer and Communication Networks", a lecture for graduate students in the Department of Geography, 2/1438.
2. "General Introduction in Computer and Communication Networks", Training Course, Zaid Bin Thabit Primary School Teachers, 3/1438.

3. "Skills of Choosing Path of Life and University Specialization after the Secondary School", training course, Al-Aqeeq Private secondary school, 8/3/1439.
4. "Selection Skills in the College", short training course, part of the English language program, King Abdulaziz University for Science and Technology.
5. "Skills of choosing the path of life and university specialization after the secondary stage", training course, secondary government agate, 17/3/1439.
6. " Skills of Choosing Path of Life and University Specialization after the Secondary School", secondary Qais bin Saad, 6/1439.
7. "Skills of Choosing Path of Life and University Specialization after the Secondary School", Al-Ansar secondary school, 6/1439.
8. "How to establish an IT Center for the Service of the Holy Quran and its Sciences: NOOR Center as an Example," an electronic lecture in cooperation with the branch of IEEE Western Kingdom, 3/6/2017.
9. " Jobs' Success Factors in Computer Science ", Training Course, Faculty of Computing, Taibah University, in cooperation with the Deanship of Student Affairs and Computer Club, 1-4 / 4/1439.
10. "Skills of Choosing Path of Life and University Specialization after the Secondary School", Prince Abdul Majeed secondary, 7/1439.
11. " Skills of Choosing Path of Life and University Specialization after the Secondary School", training course, secondary school, 7/1439.
12. "Skills of Choosing Path of Life and University Specialization after the Secondary School", Quba Secondary School, 2/1440.
13. "Skills of Using Word Program in the Office Work", Training Course, Taibah University, 2/1440.
14. "Skills of Organizing Events and Conferences", Training Course, Waqf Alwhyain, 29/5/1440 (4/2/2019).
15. "Skills of Choosing Path of Life and University Specialization after the Secondary School", Nahrawan Secondary School, 3/1440.
16. "Skills of Using Word Program in the Office Work", Training Course, Taibah University, 13/6/1440 (18/2/2019).
17. "Skills of Using Google Forms in General Questionnaires", Training Course, Taibah University, 20/6/1440 (25/2/2019).
18. " Success Factors in Work", Training Course, Waqf Alwhyain, 27/6/1440 (4/3/2019)).
19. "Organization and Management of Scientific Conferences", Training Course, Taibah University, 28/6/1440 (5/3/2019).
20. "Fundamentals of Scientific Research", Training Course, Taibah University, 47//1440 (11/3/2019).
21. "Skills of Choosing Path of Life and University Specialization after the Secondary School", Al Hayah Secondary School, 11/7/1440 and 18/7/1440 (18, 25 /3/2019).
22. "Skills for Effective Use of a Word Program in Writing a Graduation Project Report", Training Course, Faculty of Computer, Taibah University, 7/26/1440 AH (2/4/2019 AD).
23. "Using the Word program in writing administrative letters and reports", a training course, Deanship of University Development at Taibah University, 8/2/1441 AH (7/10/2019).
24. "Using the Word Program in Writing Research Papers", Training Course, Deanship of University Development at Taibah University, 15/2/1441 AH (10/14/2019).
25. "Using search engines in the internet", a training course, Deanship of University Development at Taibah University, 22/2/1441 AH (10/21/2019).
26. Using the PowerPoint program, training course, Deanship of University Development, Taibah University, 2/29/1441 AH (10/28/2019).
27. Using the Word program to write master's and doctoral theses, training course, Deanship of University Development, Taibah University, 3/7/1441 AH (4/11/2019).
28. Fundamentals of Scientific Research, Lecture, Deanship of University Development, Taibah University, 3/3/1441 AH (11/11/2019).

29. Introduction to the Department of Computer Engineering for new students at the college, in conjunction with Dr. Mohamed Zayed in the choice of specialization workshop, Taibah University, 3/15/1441 (11/12/2019).
30. Using the Google Scientific Research Engine, Training Course, Deanship of University Development at Taibah University, 3/21/1441 AH (11/18/2019).
31. How to write the final report of the graduation project, Taibah University, in cooperation between the Computer Club and the Training Committee of the Department of Computer Engineering, 6/29/1441 AH (2/23/2020 AD).
32. Literal transfer from Arabic to English, taking into account letter pronunciation and their attributes, participation in a panel discussion entitled: Converting Arabic letters to English letters and vice versa, organized by the IEEE Institute branch in the Western Region, 5/7/1441 AH (29/2/2020 AD).
33. Introduction to computer and communication networks, training course, King Abdulaziz University in Jeddah, in cooperation between the branch of the IEEE Institute in the Western Region and the Saudi Civil Engineering Society, 10/7 / 1441H (5/3/2020 AD).
34. The Role of Computer and Information Technology in Developing Corona Virus Solutions, Participation in a panel discussion entitled: The Role of Engineering, Information Technology and Industrial Intelligence in Developing Corona Epidemic Solutions, Organized by IEEE Institute Branch in the Western Region, 26/7/1441 AH (21/3/2020 AD)).
35. "Factors of Excellence and Career Creativity", Remote Course, Endowing the Exaltation of the Two Revelations, 9/18/1441 AH (5/11/2020 AD).
36. "Skills for choosing a specialty and life path after high school", a distance learning course, 10/11/1441 AH (3/6/2020 AD).
37. "Introduction to the Basics of Scientific Research", remote lecture, 27/12/1441 AH (17/8/2020 AD), link: <https://www.youtube.com/watch?v=tC052nY6dnI&t=40s>
38. "Cyber Security", a remote lecture in cooperation with the Student Developer Club at Taibah University, 3/28/1442 (14/11/2020).
https://www.youtube.com/watch?v=3rR9Bn_PHGM
39. "Using MS Word to write the final report of the graduation project", a distance learning course in cooperation with the Zero-One Club, in the Computer Department, Taibah University Branch in Badr, 4/8/1442 (11/23/2020).
40. "Introduction to Cyber Security for Non-Specialists", Remote Training Course, Endowment to Honor the Revelations, 3/8/1442 AH (16/3/2021AD).
41. "Basics of Scientific Research", a remote lecture, in coordination with the Vice Deanship for Graduate Studies and Scientific Research, Faculty of Computer Science and Engineering, Taibah University, 10/8/1442 (23/3/2021).
42. "The Fifth Generation (5G) of Mobile Networks", Online, keynote speaker at the "Fifth Technical Event", organized by the College of Computer Science and Engineering at Taibah University, 26/8/1442 (8/4/2021): <https://www.youtube.com/watch?v=WZIEMiwfbeQ>
43. "Network Management", Online Training Course, within the activities of the "Cyber Security Camp", in cooperation with the Google Club for Students Developers in Saudi Universities, 19/4/1443 (11/24/2021).
44. "Management of Computer and Information Technology Centers", Online training course (16 hours (4Days)), within the Future Skills Program under the supervision of the Ministry of Communications and Information Technology, in cooperation with the Technical Systems Association (Raqamiah), 16-19/4/1443 (21-24/ 11/2021):
<https://futureskills.mcit.gov.sa/ar/group/7285>

Keynote Speaker

1. “.Research Activities of the Information Technology Research Center for the Service of the Holy Quran and its Sciences Noor at Taibah University in Madinah”, the Annual International Quranic Conference (Moqaddas3), Quran Research Center at the University

of Malaya, Malaysia, international electronic number: 978-967-11144-2-1, 1- 2/5/1434 AH (13-14/3/2013 AD).

2. "The Role of Noor Research Center at Taibah University in Employing Information Technology to Serve the Holy Quran and its Sciences," Taibah University International Conference on Employing Information Technology to Serve the Noble Quran and its Sciences during the period from 19-22/2/1435 AH 22-25/12/2013 AD.
3. "The Fifth Generation (5G) of Mobile Networks", Online, keynote speaker at the "Fifth Technical Event", organized by the College of Computer Science and Engineering at Taibah University, 26/8/1442 (8/4/2021).

Supervising scientific visits for students

1. A scientific visit for a group of the college's students to the Deanship of Information Technology, Taibah University, 2016.
2. A scientific visit for a group of the college's students to the Deanship of Information Technology, Taibah University, 3/1439 (11/2017).
3. A scientific visit for a group of the college's students to the Saudi Telecom Company STC- Madinah Branch in Abiar Ali, 6/1439 (3/2018).
4. A scientific visit for a group of the college's students to the Madinah Regional Municipality, 5/4/1441 (2/12/2019).
5. A scientific visit for students of the graduation project to the Deanship of Information Technology at Taibah University, 17/8/1442 (30/3/2021).

Scientific Research, Consultations, Reports, Studies and Publications

1. Granted Projects

1. Abdullah Al Binali, "Accelerated Analytic Hierarchy Process for Best Effort Quality of service Routing with Multiple Metrics in Communication Networks", Deanship of Scientific Research, Taibah University, 1429/2009.
2. Abdullah Al Binali, Refaat Zanfali, Mohammed Manasar, Omar Tayan, Ammar Arabawi, Mustafa Jad Al Haq, "Proposal to Establish NOOR Research Center in Information Technology to serve the Holy Quran and its Sciences", Taibah University, Ministry of Higher Education. Almadinah Almonawarah, KSA, 1430/2010.
3. Omar Tayan, Abdullah Al Binali, "Optimizing the Flow of Pilgrims between Holy Sites Using Traffic-Congestion Control Modelling", Deanship of Scientific Research, 1431/2010.
4. Omar Tayan, Abdullah Al Binali, Yasser Al Janahi, Numani Kabeer, "A Priority Based Traffic Management System for the Madinah Road Network: A Modeling Case Study for Evaluation of Site Evacuation", Hajj Research Institute at Umm Al Qura University, 1434/2013 approx..
5. Yasser Al-Janahi, Abdullah Al Binali, Mohammed Dikak, " A Software for Homogenizing the Arabic Transliteration System", King Abdulaziz City for Science and Technology, 1435/2014 approx.
6. Abdullah Al Binali, Numani Kabeer, " A literature Review on the Quranic Websites", NOOR Research Center, Taibah University, 1435/2014 approx.
7. Abdullah Al Binali, Abdelrahman Alshereef Karrar, "A literature review on Quranic Applications based on eLearning Standards", NOOR Research Center, Taibah University, 1435/2014 approx.

2. Projects Submitted for Grants

1. Abdullah Al Binali , "English and Arabic Content Development of the Website of Taibah University : Phase 1", Submitted to Deanship of Scientific Research, Taibah University.

2. Nayef bin Mohammed al-Harbi, Ali bin Nasser al-Muqbel, Abdullah Al Binali , "Murshed": a Training Program for Developing of Faculty Members Skills for Student Counseling in Saudi Universities", Ministry of Higher Education.

3. Supervision of graduation projects for undergraduate students

1. Design and build a rewards system for Saudi university students: Taibah University, for example, Term 1: 1428/1429.
2. Computer system for preparing the annual report of the Saudi universities: Taibah University as a case study - first stage, Term 1: 1428/1429.
3. PKI Application in Email Encryption, Term 1, 2: 429/1430.
4. An electronic system for additional financial entitlements for university employees, Term 1, 2: 430/1431.
5. An electronic system for academic employment in Saudi universities: Taibah University, for example, Term 1, 2: 431/1432.
6. Computer Network Performance Analysis: A Step-by-Step Practical Simulation Guide Using OMNETPP, Part 1, 2: 432/1433.
7. Student satisfaction assessment of electronic services in the admission and registration system at Taibah University: case study and system design, Term 1, 2: 433/1434.
8. Evaluating the development of information technology at Taibah University and designing a computer system to present the evaluation, Term 1, 2: 434/1435.
9. Electronic system of real estate marketing, Term 1, 2: 435/1436.Op
10. Computer Network Performance Management and Monitoring Systems, Term 1, 2: 1438/1439.
11. Using Internet of Things and microcontrollers for Air quality monitoring, Term 2 1441H (2019/2020) and Term 1 1442H (2020/2021 AD).
12. Physical Security of Data Centers Using the Internet of Things and microcontrollers, students: Muhammad Qasim Najm, Abdul Rahman Al-Harbi, Term2 1442 AH (2020/2021) and Term 1443 (2021/2022).

In addition, Examiner of around 19 graduation projects for undergraduate students.

4. Events Organization: Conferences, Workshops, Symposiums, etc

1. Environment Pollution Symposium, 1428/2007, Chairman of Technical Support Committee, Saudi Arabia, Almadinah Almonawarah.
2. The Research Forum of Almadinah Almonawarah II, 1429, Chairman of Technical Support Committee, Saudi Arabia, Almadinah Almonawarah.
3. Symposium of the Holy Quran and Information Technology, 1431, Member of the Advisory Committee, Saudi Arabia, Almadinah Almonawarah, Organization: King Fahd Complex for the printing of the Holy Quran.
4. Symposium on educational achievement and celebration of 30 years of the establishment of the College of Education, 1428, member of the Committee of support and technical support, Saudi Arabia, Almadinah Almonawarah.
5. Day of Communications Technology and Networks, 1428, Chairman of the Organizing Committees, Saudi Arabia, Almadinah Almonawarah, in cooperation with Cisco.
6. The fifth panel of electronic learning and distance education, 1429, Chairman of Technical Support Committee, Saudi Arabia, Almadinah Almonawarah, in cooperation with the National Center for e-learning and distance education
7. Computer Week 1429: Towards a Digital Society, 1429, 2008, Chairman of Organizing Committees, Saudi Arabia, Almadinah Almonawarah, in coordination with the Saudi Computer Society
8. Taibah University International Chemistry Conference 2009, 1430, Chairman of Technical Support Committee, Saudi Arabia, Almadinah Almonawarah.
9. Conference of the College of Science, 1431, Chairman of Technical Support Committee, Saudi Arabia, Almadinah Almonawarah.

10. Taibah University's First International Conference on Computing and Information Technology ", 1433, Chairman, Saudi Arabia, Almadinah Almonawarah.
11. Taibah University International Conference on the Use of Information Technology for the Service of the Holy Quran and its Sciences, 1435, Chairman of the Organization, Saudi Arabia, Almadinah Almonawarah.

5. Attendance or Participation in Conferences, Symposiums or workshops, etc

1. STC + KSU: GSM, 1996?, Attendance, Saudi Arabia, Riyadh
2. IEEE Conference 2000 on High Performance Switching and Routing and 3rd International Conference on ATM (ICATM '2000), Attendance, Germany
3. 1st Informatics Workshop, 2000, Attendance, Presenter, UK
4. IEE 3G Conference, 2001, Attendance, UK
5. 2nd PGNET Symposium, 2001, Presenter, UK
6. The first meeting of scientific Societies for Saudi students in Britain, 2001, Attendance, UK
7. 2nd Informatics Workshop, 2001, Attendance, Presenter, UK
8. INC2002,2002, Attendance, Presenter, Plymouth, UK
9. 3rd Informatics Workshop, 2002, Attendance, Presenter, UK
10. EPMCC2003,2003, Attendance, Presenter, Glasco, UK
11. 4th PGNET Symposium, 2003, Attendance, Presenter, UK
12. The First Saudi GIS Forum, 2005, Attendance, Presenter, Saudi Arabia, Al Khobar
13. National Information Technology Symposium: Bridging the Digital Divide, 2006, Attendance, Presenter, Saudi Arabia, Riyadh
14. Electronic Transactions Conference, 1428, Attendance, Saudi Arabia, Riyadh
15. Workshop for preparing the strategic plan for the Information Technology Center at King Abdulaziz University, 1428, Attendance, Saudi Arabia, Jeddah
16. Conference on Information Technology and National Security, 1428, 2007, Attendance, Presenter, Saudi Arabia, Riyadh
17. The Fifth Seminar of e-Learning, 1429, 2008, Attendance, Saudi Arabia, Almadinah Almonawarah
18. Computer Week 1429: Towards a Digital Society, 1429, 2008, Attendance, Chairman of Organizing Committees, Saudi Arabia, Almadinah Almonawarah
19. Preparatory Conference for the First Scientific Conference of Higher Education Students, 1430, Attendance, Presenter, Saudi Arabia, Almadinah Almonawarah
20. The First Scientific Conference for Higher Education Students, 1430, Attendance, Presenter, Saudi Arabia, Riyadh
21. Preparatory Conference for the Second Scientific Conference of Higher Education Students, 1432, Attendance, Presenter, Saudi Arabia, Almadinah Almonawarah
22. The Second Scientific Conference for Students of Higher Education, 1432, Attendance, Presenter, Saudi Arabia, Jeddah
23. Preparatory Conference for the Third Scientific Conference of Higher Education Students, 1433, Attendance, Presenter, Saudi Arabia, Almadinah Almonawarah
24. The Third Scientific Conference for Higher Education Students, 1433, Attendance, Presenter, Saudi Arabia, Al Khobar
25. Taibah University's First International Conference on Computing and Information Technology, 1433, Attendance, Chairman of Organizing Committees, Saudi Arabia, Almadinah Almonawarah
26. The 3rd Annual International Quranic Conference 2013 (MUQADDAS III), 13-14/3/2013 (1-2/5/1434), Attendance, Presenter, Kuala Lumpur, Malaysia
27. Preparatory Conference for the Fourth Scientific Conference of Higher Education Students, 6/1434, Attendance, Presenter, Saudi Arabia, Makkah
28. The Fourth Scientific Conference for Higher Education Students, 1434, Attendance, Presenter, Saudi Arabia.
29. Taibah University International Conference on the Employment of Information Technology for the Service of the Holy Quran and its Sciences, 2/1435, Attendance, Chairman of Organizing Committees, Presenter, Saudi Arabia, Almadinah Almonawarah

30. Forum of institutions serving the Holy Quran in Almadinah Almonawarah, Organized by the International Organization for the Memorization of the Holy Quran, 2/1435, Presenter: Keynote Speaker, Saudi Arabia, Almadinah Almonawarah
31. Preparatory Conference for the Fifth Scientific Conference of Higher Education Students, 1435, Attendance, Presenter, Saudi Arabia, Almadinah Almonawarah
32. The Second Meeting of King Abdullah's Holy Quran Chair at Umm Al-Qura University, 1435, Attendance, Saudi Arabia, Makkah
33. Foundational Workshop for King Abdullah Chair for the Holy Quran and its Sciences at the Islamic University, 1435, Attendance, Presenter, Saudi Arabia, Almadinah Almonawarah
34. Symposium «Madinah in the eyes of orientalist (Mostashregeen)», 1435, Attendance, Saudi Arabia, Almadinah Almonawarah
35. Preparatory Conference for the Sixth Scientific Conference of Higher Education Students, 1436, Attendance, Presenter, Saudi Arabia, Almadinah Almonawarah
36. The first coordination workshop to activate the role of faculty members in centers of research excellence and promising research centers, 1/1436, Attendance, Presenter, Saudi Arabia, Riyadh
37. The Third Forum of the King Abdullah Chair for the Holy Quran at Umm Al-Qura University, 7/1436, Attendance, Presenter, Saudi Arabia, Makkah
38. The Second International Conference on the Development of Quranic Studies, 5/1436, Attendance, Saudi Arabia, Riyadh
39. The 2nd National Computing Colleges Conference in Saudi Universities, Attendance, Hail University, 5/1438 (2/217).
40. International conference on developments in emerging computing technologies, Islamic University, SA, 6/1441 (2/2020).
41. The Second International Conference on Computer and Information Sciences, Al-Jouf University, SA, Online (Partial attendance), 26-28/A/1442 (13-15/10/2020).
42. The 2021 ICCIS (3rd International Conference on Computer and Information Sciences) (IEEE), will be held on 14-16 December 2021 (10-12/5/1443) (was Planned to be on October 2021) in Al-Jouf University, SA, <https://www.ju.edu.sa/en/iccis/home/>

6. Refereeing: Research papers, Project proposals, Books, etc

- Total: 10.

7. Consultations

1. Part time consultant in Information Technology, Municipality of Almadinah Almonawarah Region, from 1/5/1428 to 30/2 / 1431H.
2. Member of the Advisory Committee to the Former President of Taibah University (Dr. Mansour Al Nozha), 2011 approx.
3. Member of the Advisory Committee for the symposium of the Holy Quran and Contemporary Technologies: Information Technology, King Fahd Complex for Printing the Holy Quran, the symposium was held during the period 24-26 / 10 / 1430H.
4. Volunteer consultant in Shabab Society (Charity).

8. Reports and Studies

1. Abdullah Mohammed Al-Qahtani, team and team consultant Dr. Abdullah bin Mohammed Al-Qarni: Specifications of GIS project for the National Information Center: Phase I.
2. Abdullah Mohammed Al BinAli, and the team at the Information Technology Center at the Taibah University: Administrative structure of the Information Technology Center at the Taibah University.
3. Abdullah Mohammed Al BinAli, the first version of the initial strategic plan for information technology at the Taibah University.
4. Abdullah Mohammed Al BinAli, and the team at the Information Technology Center at the Taibah University: the initial strategic plan for information technology at the Taibah University.
5. Abdullah Mohammed Al BinAli, and the ITA team at Taibah University: Preparation of the IT budget project at Taibah University, and discussion at the Ministry of Finance for 3 years.
6. Abdullah Mohammed Al BinAli, and the team at the IT Center at the Taibah University: Preparation of the specifications of the draft strategic plan for information technology in the Taibah University and supervision of its implementation.
7. Abdullah Mohammed Al BinAli, and the team at the IT Center at the Taibah University: Preparation of the specifications for the operation and maintenance of information technology at the Taibah University and its branches.
8. Abdullah Mohammed Al BinAli, and the team at the Information Technology Center at the Taibah University: Preparation of the document on the requirements of information technology in the university buildings and in maintenance projects.
9. Abdullah Mohammed Al BinAli, and the ITA team at the Taibah University: Preparation of technical specifications document for IT equipment: computers, printers, scanners, etc.
10. Abdullah Mohammed Al BinAli, and the ITA team at Taibah University: Preparing a report on the student assessment system for the educational process at Taibah University.
11. Abdullah Mohammed Al BinAli, and the team at the IT Center at Taibah University: reviewing the designs of the computer network infrastructure in the university city plan in the main center.
12. Abdullah Mohammed Al BinAli, and the team at the IT Center at the Taibah University: the requirements of automatic correction devices for the university and its branches.
13. Abdullah Mohammed Al BinAli, Staff of the Statistics Committee and Annual Report: Preparation of the annual report of the Taibah University for about 3 years.
14. Abdullah Mohammed Al BinAli, Mohammed Al-Surhi, Izzat Hamza Bushnaq: Adding aspects of information technology in the strategic plan of the Taibah University 1440/2020.
15. Abdullah Mohammed Al BinAli, Mohammed Al-Surhi, Izzat Hamza Bushnak, a general review of the strategic plan of the Taibah University 1440/2020.
16. Abdullah Mohammed Al BinAli, and the work team in the Municipality of Almadinah Almonawarah: Review the study of the World Bank on information technology in the city of Madinah and evaluate what was done about it.

17. Abdullah Mohammed Al BinAli: A general framework for the mechanism of cooperation between the Taibah University and the General Court in Almadinah Almonawarah in the field of information technology.
18. Abdullah Mohammed Al BinAli: A general overview and observations on the application of e-learning and distance education at the Taibah University.
19. Abdullah Mohammed Al BinAli: Requirements for the renovation of Building 20 of the College of Computer Taibah University.
20. Abdullah Mohammed Al BinAli and the work team: requirements for the establishment of laboratories College of Computer Taibah University in building B 12 and in the female students.
21. Abdullah Mohammed Al BinAli: Mechanism of regulating the exceptional increase in the salaries of contractors.
22. Imad Abul-Ela, Altaf Khan, Abdullah Mohammed Al BinAli: The Mechanism of Distributing Computerizations to the Five Departments of the College of Computer Science and Engineering, Taibah University, 1432/2012.
23. Abdullah Mohammed Al BinAli: IT requirements for the operation of conferences and seminars in the new conference building at the Taibah University, 1435/2014.
24. Abdullah Mohammed Al BinAli Bin: A review of the strategic plan of the Department of Computer Engineering, 1438/2017.
25. Abdullah Mohammed Al BinAli: Proposal for a series of training courses to the Deanship of University Development, 1438/2017.
26. Abdullah Mohammed Al BinAli: Proposal for a series of training courses to the Center for Community Partnership, 1438/2017.
27. Abdullah Mohammed Al BinAli: Proposal for a series of training courses to the Deanship of University Development, 1439/2018.
28. Abdullah Mohammed Al BinAli: Proposal for a series of training courses to the Deanship of Student Affairs, 1439/2018.
29. Abdullah Mohammed Al BinAli: A review of the specifications document for the project of building a computer system for the neighborhood clubs, Shabab Charitable Society, 1439/2018.
30. Abdullah Mohammed Al BinAli: Academic Counselling Guide, College of Computing, Taibah University, 1439/2018.
31. Abdullah Mohammed Al BinAli, Madi Saleh: Comprehensive Academic Counselling Guide, College of Computing, Taibah University, 1439/2018.
32. Abdullah Mohammed Al BinAli: Proposed to the Head of the Department of Computer Engineering to establish a separate course for computer networks in Section, 1440/2018.
33. Abdullah Mohammed Al BinAli: Proposals for the guide to writing the final report of the graduation project in the Department of Computer Engineering, 1440/2018.
34. Abdullah Mohammed Al BinAli: Proposal to request a set of requirements for the network laboratory for COE 332 and COE331, 1440/2018.
35. Abdullah Muhammad Al Bin Ali: Guide to Scholarship Procedures and Training in the Department of Computer Engineering, College of Computer, Taibah University, 1440/2018.
36. Abdullah Muhammad Al BinAli: Scholarship Controls in the Department of Computer Engineering, College of Computer, Taibah University, 1440/2018.
37. Abdullah Muhammad Al BinAli: Upgrading the university classification locally, regionally and internationally: achievements, difficulties, proposals (Department of Computer Engineering), College of Computer, Taibah University, 3/19/1441 AH (11/16/2019).
38. Abdullah Muhammad Al BinAli and the participation of fellow faculty members in the department: upgrading the university classification locally, regionally and internationally: achievements, difficulties, proposals (Computer Engineering Department), College of Computer, Taibah University, 3/19/1441 AH (11/16/2019).
39. Abdullah Muhammad Al BinAli, Muhammad Abdullah Al-Saadi: Administrative and financial improvement in the university: achievements, difficulties, proposals (Department

- of Computer Engineering), College of Computer, Taibah University, 3/21/1441 AH (11/17/2019).
40. Abdullah Muhammad Al BinAli: The job market needs in the government sector for the qualification of computer engineering in bachelor's, master's and doctoral degrees, 5/18/1441 AH (13/1/2020 AD).
 41. Ahmed Abdel-Moneim, Ali Al-Samri, Abdullah Mohammed Al BinAli: A Practical Experiences Manual for Computer Networks Course COE332 (version 4), 3/7/1441 AH (2/27/2020 AD).
 42. Abdullah Mohammed Al BinAli: A proposal for some amendments to the description of the Computer Networks Course COE332, 7/6/1441 AH (1/2/2020 AD).
 43. Abdullah Muhammad Al BinAli: A proposal for some measures to improve learning outcomes in some of the department's decisions, 6/22/1441 AH (2/16/2020 AD).
 44. Abdullah Mohammed Al BinAli: Suggestions on the educational plan for the Bachelor of Science in Computer Engineering program, version 1, 8/8/1441 (1/4/2020).
 45. Abdullah Mohammed Al BinAli: List of some courses and resources on developing academic and professional skills, version 1, 19/7/1442 AH (3/3/2021).
 46. Abdullah Mohammed Al BinAli: Reviewing the application form for to found (establish) the "Society of IT Systems, a charity society, 1443 (2021).
 47. Abdullah Mohammed Al BinAli: A Proposed Business Model Canvas for the "Society of IT Systems, a charity society, 1443 (2021).
 48. Abdullah Mohammed Al BinAli: Reviewing a Business Model for the "Society of IT Systems, a charity society, proposed by the President of the society, 1443 (2021).

9. List of Publications: Books, Research papers in Journals, conferences, etc

A. Books

1. Abdullah Al Binali, "تطور تقنية المعلومات والاتصالات في المملكة العربية السعودية" "The development of (Information Technology and Communications (ICT) in Saudi Arabia", in preparation for press.

B. Refereed Research Papers

Abdullah Mohammed Al-Bin Ali, Abdulrahman Al-Sherif Karrar, Prospects and development of the future of faculty members in scientific research through centers of research excellence and promising research centers. The first coordination workshop to activate the role of faculty members in research excellence centers and promising research centers. Riyadh, Saudi Arabia.

* Note: my family name in some of my publications is Alkahtani because it was my family name. However my current official family name is Al Binali.

Appreciation Certificates and letters

- Letters and certificates of thanks during the undergraduate study and earlier.
- A letter of thanks from the General Director of the National Information Center.
- A letter of thanks from the Dean of the University of Bradford College of Engineering.
- Number of letters of thanks from the Clubs Administration and the Saudi Schools Department in Britain.
- Number of letters of thanks from His Excellency the President of Taibah University (Dr. Mansour bin Muhammad Al-Nuzha).
- A letter of thanks from His Excellency the Vice President of the Women's Colleges.
- An Appreciation Trophy from the Deanship of Student Affairs.
- A certificate of thanks from the Deanship of Admission and Registration.
- A letter of thanks from His Excellency the President of Taibah University (Dr. Adnan bin Abdullah Al-Mazrou) after the end of my period in the College of Computer for more than 4 years.
- Number of appreciation Trophies and certificates for contribution to the organization of a number of conferences, seminars and workshops.
- A letter of thanks from His Excellency the President of Taibah University (Dr. Adnan bin Abdullah Al-Mazrou) after the end of my administration period for the Information Technology Research Center for the Service of the Holy Quran and its Sciences (Noor) for a period of more than 4 years.
- Number of certificates of thanks from the Deanship of University Development at Taibah University.
- Number of certificates of thanks and Trophies from the Training Center Tatheem Alwahyain in Al-Madinah.
- Number of appreciation Trophies and certificates from the Shabab Society in Al-Madinah Al-Munawwarah.
